

August 10th, 1940.

Dear Professor Haldane,

*yours of July 25th: -*

At the instance of the Admiralty, the Home Office communicated with the Director of Prisoners of War on 29th June authorising Hans Kahle's release. The letter was not however dealt with in time to prevent his departure to Canada with other interned Aliens.

The Admiralty have now requested the Home Office to make arrangements for Kahle to be brought back, and to say when he may be expected to arrive.

Yours very truly,

Professor J.B.S. Haldane.

15.8.40. Thanked. Prof. H. away on Ad. work & may not be back today.
