

Middleton Rectory Saxmundham Aug 31<sup>st</sup> f. 1

dear Mrs Penrose, I am so sorry, but there wasn't quite enough notice, I am never away except for a day or two, I got your note on my return,

I could meet you any time at the Church Room, or here the Church was burnt & wrecked & is still a ruin. But our records are safe, I have made a study of them.

I wonder if you care to see my little book, I have a note in the Commonwealth marriages had to be held before a J.P. & set in Church see pages 47-57

& have you noticed births only are recorded & not

I shall be away <sup>24</sup> 11-14  
Sep
