Dear Professor,

Glad to hear that you enjoyed Bent Larsen's book. Mette and I went to Trier for two days to see for ourselves what a Chess Olympiad looked like and to meet Jonathan. We were greatly distressed to hear that he had been unwell on two occasions and had to abandon further participation. I hope he has fully re-

covered. We had a chat with R.G. Wade. We took a couple of snapshots of him. Would it perhaps be possible for you to send them on to Wade's address?

We are expecting a child at the end of February, and so far everything has progressed according to plan! I'm afraid we shall be unable to visit England in 1971, but you and I shall "utvibrant" be playing some games again, I hope. Remember us to

your wife, Jonathan and  
Maggie, and Shirley. We  
hope you are all in good  
health. Best wishes from  
Anders & Mette. Yours sincerely,  
The father-to-be.
