My Dear Sir Francis,

I very much enjoyed Professor Donghue's account of Kantsaywhere yesterday. I like the additions, particularly about the resemblance of the young women to Guido's Hours. Wouldn't a reproduction of the engraving or a photogravure of the picture make a pretty frontispiece to the book? I hope you didn't bother over my minute criticisms. I can't recall the particular sentence verbatim where I boggled over the grammatical form, the sense being plain enough. "Its absence etc..." I wonder if "Its freedom from..." or "immunity from..." would please me better. I am looking forward to my next visit, but I find on Tuesday, Wednesday and Thursday I have to be in London. So it must be Monday?? or Friday? Perhaps Miss Biggs would kindly let me know if Friday suits.

Yours affectionately, H. Graham Dakyns.

Or that failing – Monday. You will have seen Methuen by that time.
